â€˜Til the Storm Passes By

Gaither Vocal Band

In the dark of the midnight have I oft hid my face
While the storm howls above me, and there's no hiding place
'Mid the crash of the thunder, Precious Lord, hear my cry
Keep me safe till the storm passes byTill the storm passes over, till the thunder sounds no more
Till the clouds roll forever from the sky
Hold me fast, let me stand in the hollow of Thy hand
Keep me safe till the storm passes byMany times Satan whispered, "There is no need to try
For there's no end of sorrow, there's no hope by and by"
But I know Thou art with me, and tomorrow I'll rise
Where the storms never darken the skiesTill the storm passes over, till the thunder sounds no more
Till the clouds roll forever from the sky
Hold me fast, let me stand in the hollow of Thy hand
Keep me safe till the storm passes byWhen the long night has ended and the storms come no more
Let me stand in Thy presence on the bright peaceful shore
In that land where the tempest, never comes, Lord, may I
Dwell with Thee when the storm passes byTill the storm passes over, till the thunder sounds no more
Till the clouds roll forever from the sky
Hold me fast, let me stand in the hollow of Thy hand
Keep me safe till the storm passes by
