Let Your Love Flow

Billy Joe Royal

There's a reason for the sunshine sky
And there's a reason why I'm feeling so high
Must be the season when that love lights shines
All around us
So let that feeling grab you deep inside
And send you reeling where your love can't hide
And then go stealing through the summer nights
With your lover
Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season
Just let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason
There's a reason for the warm, sweet nights
And there's a reason for the candle lights
Must be the season when those love lights shine
All around us
So let the wonder take you into space
And lay you under its loving embrace
Oh, feel the thunder as it warms your face
You can't hold back, no, you can't hold back
Just let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season
Just let your love fly like a bird on the wing
And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason
Just let your love flow
Why don't you let your love flow?
Let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
It's the season
Let your love fly like a bird on the wing

And let your love bind you to all living things
And let your love shine and you'll know what I mean
That's the reason
It's the season to let your love flow like a mountain stream
And let your love grow with the smallest of dreams
And let your love show and you'll know what I mean
That's the reason to let your love flow
Why don't you let your love flow?
Just let that love flow, one more
Why don't you let your love flow?
