Empty At The End

The Electric Soft Parade

Stars at my window
All say they don't know
Well it's true
In letters of blue

You say you don't know
All there is to know
Well it's true
In letters of blue

And all I know is no one is my friend
And it's empty at the end
So we start again

Stars at my window
All say they don't know
Well it's true
In letters of blue

You say you don't know
All there is to know
Well it's true yes it's true
In letters of blue

And all I know is no one is my friend
And it's empty at the end
So we start again

And all I know is no one is my friend
And it's empty at the end
So we start again
