

# Relax, Take It Easy (Original)

Mika

Took a ride to the end of the lane  
Where no one ever goes  
Ended up on a broken train with nobody I know  
But the pain and the longing's the same  
When you're dying  
Now I'm lost, and I'm screaming for help alone  
Relax, take it easy  
For there is nothing that we can do  
Relax, take it easy  
Blame it on me or blame it on you  
It's as if I'm scared  
It's as if I'm terrified  
It's as if I'm scared  
It's as if I'm playing with fire  
Scared  
It's as if I'm terrified  
Are you scared?  
Are we playing with fire?  
Relax  
(Love) There is an answer to the darkest times  
It's clear we don't understand it, but the last thing on my mind  
Is to leave you  
I believe that we're in this together  
Don't scream; there are so many roads left  
Relax, take it easy  
For there is nothing that we can do  
Relax, take it easy  
Blame it on me or blame it on you  
It's as if I'm scared  
It's as if I'm terrified  
It's as if I'm scared  
It's as if I'm playing with fire  
(Relax)  
Scared  
It's as if I'm terrified  
Are you scared?  
Are we playing with fire?  
Relax  
Relax  
Same day I want to dress for wedding  
Same day while I won't married  
What happened? He's go meeted another girl  
While he was married another girl, I was very, very sad  
I can talk like God take my legs  
How he's made a different lady, I no believe  
After one month I am send out to balcony  
Some bomb come for my eyes, my eyes gone

My eyes gone in bomb, now I have only one eyes  
I am sad, until now I no married any man after
