

# A million voices (Russia)

## Polina Gagarina

We are the world's people  
Different yet we're the same  
We believe  
We believe in a dream Praying for peace and healing  
I hope we can start again  
We believe  
We believe in a dream So if you ever feel love is fading  
Together like the stars in the sky  
We can sing  
We can shine  
When you hear our voices call  
You won't be lonely anymore  
A million voices  
Your heart is like a beating drum  
Burning brighter than the sun  
A million voices Now as the world is listening  
From cities and satellites  
We believe  
We believe  
In a dream If you ever feel love is fading  
Together like the stars in the sky  
We can sing  
We can shine  
When you hear our voices call  
You won't be lonely anymore  
A million voices  
Your heart is like a beating drum  
Burning brighter than the sun When I look around at these faces  
I can see the stars in the sky  
We will sing  
We will shine Singing out  
Singing out  
Ooh  
Singing out  
Singing out  
Ooh  
Singing out  
A million voices
