Grace for Grace

The Phillips Family

Verse 1
Any move God makes towards man
Describes an act so precious though itâ€™s hard to comprehend
For you see I was nothing but he gave me everything
And of his fullness I now have received

-Chorus-
Grace for Grace, Mercy for Justice
Is what he gave when he died on Calvary
I know that I should be in hell
But those flames Iâ€™ll never feel
All because he took my place
Grace for Grace

Verse 2
Unmerited favor from God Above
Reminds me Iâ€™ve done nothing to deserve the Saviors love
God forbid that I should Glory in the days that I have done
For itâ€™s by His Grace and Grace alone
The victory has been won

-Chorus-
Grace for Grace, Mercy for Justice
Is what he gave when he died on Calvary
I know that I should be in hell
But those flames Iâ€™ll never feel
All because he took my place
Grace for Grace

Grace for Grace, Mercy for Justice
Is what he gave when he died on Calvary
I know that I should be in hell
But those flames Iâ€™ll never feel
All because he took my place
Grace for Grace

I know that I should be in hell
But those flames Iâ€™ll never feel
All because he took my place

Grace for Grace

All because he took my place
Grace for Grace
