Share Your Love

Susan Tedeschi

There's an evil wind
That blows no good, yeah
There's a song
That don't love
Like I know it shouldWoh, how lonesome (how lonesome)
You must be
It's a shame
If you don't share some of your love with meIt's a heartache (it's a heartache)
You know when your love is gone
But it's bad (bad)
And even sadder, oh later on, oooohThere's no one blinder
No one blinder
Then you won't see
It's a shame
If you don't share some of your love with meI can't help it
oh, not now she's gone
I must try to forget
Because I've got to live onOh it's a good thing
It's a sweet thing (it's a sweet thing)
When your love has gone
But it's bad (bad)
And even sadder
Oh, when it's not returnedOh how lonesome
How lonesome (how lonesome)
You must be
Gonna be sad
And even sadder
If you don't share some of your love with me
Some of your love with me
Gonna be a bad bad shame
If you don't share some of your love with me
