

# Be Like You (feat. JanSoon)

ATB

I don't wanna be like you  
I don't care about the things that you do  
I don't wanna be like you  
Leave it all behind and start anew I don't wanna be like you  
I don't care about the things that you do  
I don't wanna be like you  
Leave it all behind and start anew I leave it all behind and start anew  
I don't wanna be like you, I don't wanna be like you  
I leave it all behind and start anew I don't wanna be like you  
I don't care about the things that you do  
I don't wanna be like you  
Leave it all behind and start anew I leave it all behind and start anew I don't wanna be like you  
I leave it all behind and start anew I don't wanna be like you  
I don't wanna be like you Leave it all behind and start anew
