

Crazy Stupid Love

Luigi Masi

[VERSE 1]

I got pockets of danger
You really, don't wanna touch
Watch out baby, Imma make it
Hot hot hot

Shooting me like a laser
You really, know what you want
Watch out baby, Imma make it
Hot hot hot[BRIDGE]

I should be going but baby I know
This love is perfect so yeh just come on
Haters be hating and people will judge

But baby, for ya, I got nothing
Got nothing but love...[Chorus]
(That....)

Love love love love love for you
I got that love love love love love
That crazy stupid love
(That....)

Love love love love love for you
I got that love love love love love
That crazy stupid love[POST-Chorus]

That crazy stupid love (what?)
That crazy stupid love (what?)

That crazy stupid crazy stupid crazy stupid love

That crazy stupid love (what?)

That crazy stupid love (what?)

That crazy stupid crazy stupid crazy stupid love[VERSE 2]

There's nothing here to faze us

Unless we like bump into jesus

But what would he do here in Vegas

Such a crazy thing to say

I can't believe what I'm seeing

Drunk of this love that you're feeding

You know with a filter it's cheating

But you do it anyway[BRIDGE][Chorus][POST-Chorus][MIDDLE 8]

Oh oh, baby baby

Give it to me good

Don't stop til you

Give it to me like you should
Do it good good
Good good
Do it good good
Good good[Chorus][POST-Chorus]
