

# No Good Advice (Album Version (Edited))

## Girls Aloud

Daddy told me  
Look into the future  
Sit at your computer  
And be a good girl Momma said remember  
You a lady  
Think before you play  
And straighten your curls Well everybody's talkin'  
Like I'm crazy  
Dangerous and lazy  
Girl with no soul  
But I've seen it all  
From where I'm hiding  
Baby 'cause I'm sliding out of control Here I go out the door  
Crankin' the stereo  
I think a finger  
To the world below oh Here I am dirty hands  
I don't give a damn  
Shut your mouth cause it might show I don't need no good advice  
I'm already wasted I don't need some other life  
Cold and complicated I don't need no Sunday trips  
Tea and sympathizing I don't need no special fix  
To anesthetizers me Daddy always told me  
Remember to leave the buzz till later  
Don't you drop down Momma said ill never get  
To heaven hanging till 11  
With the wrong crowd Everybody's talkin'  
Like they know me  
Just another phony girl about play  
But I dig the music  
And I'm making baby  
And I'm breakin' into your brain Here I go out the door  
Cranking the stereo  
I think a finger  
To the world below oh Here I am dirty hands  
I don't give a damn  
Shut your mouth  
'Cause it might show I don't need no good advice  
I'm already wasted I don't need no other life  
Cold and complicated I don't need no Sunday trips

Tea and sympathizing I don't need no special fix  
To anesthetize me Here I go out the door  
Cranking the stereo  
I think a finger to the world below Here I am dirty hands  
I don't give a damn  
Shut your mouth  
'Cause it might show I don't need no good advice  
I'm already wasted I don't need no other life  
Cold and complicated I don't need no Sunday trips  
Tea and sympathizing I don't need no special fix  
To anesthetizes me I don't need no good advice  
I'm already wasted I don't need no other life  
Cold and complicated I don't need no Sunday trips  
Tea and sympathizing I don't need no special fix  
To anesthetizes me
