

Walking Dead

Siskin River

[VERSE 1]

I got no money
Yea i caught a fine
But i tell you hunny, the one thing i can give you is my time.

Dont take for granted
Dont cross my heart
Cuz one shadow youre stranded (?), if you screw me over ill leave you in the dark

woh-oh-oh ooh-woah

[PRE CHORUS]

And i live for sure but not for certain
I give it all for what its worth
And i take responsibility
You gotta go through hell to burn like me

And my mind is screwed but it still functions
My head is all for self destruction
My heart just hangs by a thread
y"Think you know me but baby im walking dead

[CHORUS]

Youre in my blood (youre on my mind)
Youre in my head (youre in my time)
My body's broken im in a trance
Dont you know that the dead dont dance?

Youve sung my song (youre in my lungs)
You want each word (now hold my tongue)
You hold my heart inside your hands
Dont you know it? im walking dead

oh-ooh-woah

[VERSE 2]

Now i may seem hazey

But im burning blind
But i tell you baby
Its the crazy mazey heart of mine

Now im towing over
Yea i see it true
No four leaf clover
Is gonna put me on the path that leads to you

ooh-woh-oh-oh ooh-woah

[PRE CHORUS]

And i live for sure but not for certain
I give it all for what its worth
And i take responsibility
You gotta go through hell to burn like me

And my mind is screwed but it still functions
My head is all for self destruction
My heart just hangs by a thread
y"Think you know me but baby im walking dead

[CHORUS]

Youre in my blood (youre on my mind)
Youre in my head (youre in my time)
My body's broken im in a trance
Dont you know that the dead dont dance?

Youve sung my song (youre in my lungs)
You want each word (now hold my tongue)
You hold my heart inside your hands
Dont you know it? im walking dead

oh-ooh-woah
