Planes (Produced By James Bryan)

Yuna

Driving fast but I am nowhere
I'm at home when I am out there
I speak louder when I'm silent
Tryna be somewhere I'm not but II'm so confused, I'm just like youOoh Wipe the sleep from my eyes
Wake up in another life
I don't like planes
But I love to fly Love to flyI got friends but I'm still shy
Sometimes I laugh sometimes I cry
I don't like planes
But I love to fly Love to flyI feel lost but
I'm surrounded by a million perfect strangers
You're like lightning I'm so grounded
But I'm flying when I'm next to youI'm so confused, you might be tooOoh Wipe the sleep from my eyes
Wake up in another life
I don't like planes
But I love to fly Love to flyI got friends but I'm still shy
Sometimes I laugh sometimes I cry
I don't like planes
But I love to fly Love to flyI'm so confused, I'm just like youOoh Wipe the sleep from my eyes
Wake up in another life
I don't like planes
But I love to fly Love to flyI got friends but I'm still shy
Sometimes I laugh sometimes I cry
I don't like planes
But I love to fly Love to fly
