Sunfair

Creeper Lagoon

Advisory - the following lyrics contain explicit language:

Gray hair is taking hold of me
Snake charmer's cut my throat and I'm loose again
Fell down drinking wine with him
Stole my saxophone, stripped me to skin and boneSad and lifeless, red and cruel
Ask myself "Can I fight this?"
Hangman standing in my room
Telling me jokes againNineteen, he was handsome
A ray farmer spreading sun on the roofs of man
Moon queen, well, she was sexual
Silver hands to hold bouquet of marigoldSad to love her
Lip gloss and rouge
Nothing he had could touch her
Frail arms reaching for the star sparkling jewelSunfair
Blinds me, she's hysterical
Sunfair
Finds my heart breakable
Sunfair
Burns me downDelia had hot pink fingernails
Gray armor, bright red shoes and a violin
Take care 'cause she's emotional
Loves her alcohol, hates me when I don't call herSad to love her
Lip gloss and rouge
Nothing I had could touch her
Frail arms reaching for the star sparkling jewelSunfair
Blinds me, she's hysterical
Sunfair
Finds my heart breakable
Sunfair
Burns me down
