

Doctors In My Bed

Yuck

if i have to go
and i will tell you so
and i will make my way
on a mystic holiday
if i have to go
and i will tell you so
'cause i've been living in
a difficult situation
i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i'm just waitin' one last _____??

if i have to go
and i will tell you so
and i will have my say
on a coastal passageway
if i have to go
and i will tell you so
'cause i've been living in
a difficult situation
i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i'm just waitin' one last _____??

i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i'm just waitin' one last _____??
i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i'm just waitin' one last _____??
i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i've got slow down in my head (?)
i've got doctors in my bed
i'm just waitin' one last _____??
