

Speechless

Musiq Soulchild

How
Got me really speechless, babe
You got me really speechless, babeDarling babe, you got me going craze
I can't seem to get you out of my
You look so good to me, gotta tell
Even my friends wonder about meDay and night I think about you
Don't know what I go through to forget about you
I can't say that I know much about you
Can't say that you know much about meAll I know you got me speechless
All I know you got me speechlessNow I've seen plenty girls in my
Like you I never had the pleasure
Before I get too far ahead of my
Heart says I need to be wit you II don't mean to be comin' off like
I apologize if I'm being
But I'm really diggin' on
And I'm hoping you feel it tooAll I know you got me speechless
All I know you got me speechlessWhat I can't figure out
Why it's so hard for me to find
The right words to say to youNo matter how many words I use
Nothing's good enough to tell you
How I feel about you, babyHow, how
How, how
