

Give You Back

Vertical Horizon

I need to know if you were real
'Cause I've been known to get it wrong
When the memory comes
I'll say I'm always in the dark
You got me nowChorus
I want to give you back
I want to give you back
Somewhere out of here
I want to give you
I want to give you
I want to give you backI can't remember how it went
You looked like everything I wanted
And as you came along
Slowly everything began to change
I got you now[Chorus]That's enough
Just talking about it
I don't mind
I don't mind no I
Laugh enough
Just dreaming about itI need to know if you were real
I'd hate to think that I'd been fooled again
And as the vision fades
I'll say I was blinded by your eyes
I felt them burn[Chorus]
