Have Yourself A Merry Little Christmas

Johnny Mathis

Christmas future is far way
Christmas past is past
Christmas present is here today, bringing joy that it will lastHave yourself a merry little ChristmasLet your heart be light
From now on, our troubles will be out of sight
Have yourself a merry little Christmas
Make the Yuletide gay
From now on, our troubles will be miles away
Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Gather near to us once moreThrough the years we all will be together
If the fates allow
Hang a shining star upon the highest bough
And have yourself a merry little Christmas now
