

# Have Yourself A Merry Little Christmas

[Johnny Mathis](#)

Christmas future is far way  
Christmas past is past  
Christmas present is here today, bringing joy that it will last  
Have yourself a merry little Christmas  
Let your heart  
be light  
From now on, our troubles will be out of sight  
Have yourself a merry little Christmas  
Make the Yuletide gay  
From now on, our troubles will be miles away  
Here we are as in olden days  
Happy golden days of yore  
Faithful friends who are dear to us  
Gather near to us once more  
Through the years we all will be together  
If the fates allow  
Hang a shining star upon the highest bough  
And have yourself a merry little Christmas now
