Caveman

You always had a good reason
But I don't need one at all
I never really thought you should believe someone
Who's been down all the timeYou let me in on your feelings
and now they're easy to read
I never really thought you would believe someone
Who's been down all the timeBecause I cannot wait so long to say I'm leavin'
'cause of you
Yeah suppose that way of livin will be easy
'cause of you
