

Creek Mary's Blood

Nightwish

Soon I will be here no more
You'll hear my tale through my blood
Through my people and the eagle's cry
The bear within will never lay to restWandering on Horizon Road
Following the trail of tearsWhite man came, saw the Blessed Land
We cared, you took, you fought, we lost
Not the war but an unfair fight
Sceneries painted beautiful in bloodWandering on Horizon Road
Following the trail of tears, once we were here
Where we have lived since the world began
Since time itself gave us this landOur souls will join again the wild
Our home in peace and war and deathWandering on Horizon Road
Following the trail of tears, once we were here
Where we have lived since the world began
Since time itself gave us this landWandering on Horizon Road
Following the trail of tears, once we were here
Where we have lived since the world began
Since time itself gave us this land
