[Verse 1: N.O.R.E.]
Aiyyo, ridin with my burner, rollin with my earner
L.I.E. Expressway bangin that Uncle Murda
BULLET BULLET! I rep New York to the FULLEST FULLEST!
I got guns, don't think I won't PULL IT PULL IT!
Gat off safety, dudes won't face me
Both of them hoes like, Cagney & Lacey
And N.O.R.E. (YEP!!) I'm respected in the projects
Filled out my O.G. card, it's in the process
I used to get a pass, now I give a pass (Ha!)
And got a gun that go RAH!!!! like summer splash
Thug club music that you listen to late
Yep! That's that style that I helped create, tell 'em Swizz!

[Chorus: Swizz Beatz]
Set it off in this mother-mother-mother jump it off!
Set it off in this mother-mother-mother set it off!
Set it off in this mother-mother-mother jump it off!

[Verse 2: N.O.R.E.]
Aiyyo we got the Patron, Hennesey, Cranberry and Vodka
Mami down for takin on poppa
Opa locka, where I buy that

No heroin cocaine, no I never try that
I just fly pass, thinkin 'bout, gettin a bypass
Surgery, stomach and small ass
Bitches with small ass, go tell your managers
N.O.R.E.'s in the building with keys they call me janitors
Go hard, sort a feel like a slave
And even on the block when it rain like meter maids
Cause, I heard that Peter paid Paul from a jena maid
But if he didn't pay me, he would see the grave!

[Chorus: Swizz Beatz]
Set it off in this mother-mother-mother jump it off!
Set it off in this mother-mother-mother set it off!
