# Lose to Win

## Fantasia

Never felt so ugly,
Pretending that he loves me
Sometimes it's just that money,
Never had to afford me
Now I'm sick and tired of
You, just taken right off
Know when I forgive youYou ain't here for dinner
Like I'm a beginner,
I loved you for your inner, inner, inner
And the next guy is out there
Somewhere,
But you won't dare, 'cause you're too scaredHave you ever
Needed someone so bad?
But he ain't willing to make it last
Sometimes you gotta lose to win again.
If it makes you cry, cry, cry
And all you do is fight
Can't get no sleep at night?
Sometimes you gotta lose to win again.Ever felt this sorry?
All you did was worry
You didn't want nobody,
Thought it would get better
But it's fallen more than
Oh it's fallen more than
Ever
I just hoped that we would
'Cause you're always up to no good
Maybe it'll take someone else,
To show me better
But I don't wanna leave ya
Oh, eyHave you ever
Needed someone so bad?
But he ain't willing to make it last
Sometimes you gotta lose to win again.
If it makes you cry, cry, cry
And all you do is fight
Can't get no sleep at night?
Sometimes you gotta lose to win again.Some of you know what it feels like
Caught up just in his light

Don't wanna try again, thinking what's the difference?
Why am I not interested?
'Cause when you've been broken, you feel like no one can fix it
YeahHave you ever
Needed someone so bad?
But he ain't willing to make it last
Sometimes you gotta lose to win again (Win again)
(Oh and if it makes you cry) If it makes you cry, cry, cry
'Cause all you do is fight
Can't get no sleep at night?
Sometimes you gotta lose
To win againOh, sometimes you got to lose,
You got to lose, to win again, yeahHave you ever
Needed someone so bad? (Have you ever?)
To make it last
Sometimes you gotta lose
To win again.
