Bloodflood

Alt-J (Î”)

C-O-double M-O-N
A wave, an awesome wave, that rushes skin and widens in blooded veins.
Breath in, exhale, I've poked a nerve he'll slap me like a whale
Slaps the sea-O-double M-O-N.
Tide out, tide in,
a flood of blood to the heart and the fear slipstreams.
Breath in, exhale, I've poked a nerve he'll slap me like a whale
Slaps the sea-O-double M-O-N.
Flood of blood to the heart.
