Jealousy

Disciples

[Verse 1]
I see her getting dressed
Put on her freaking dress
Painting on them red lips
Tease them with that lipstick
She gon' turn some heads
Wearing my favorite shoes
Them bang bang Jimmy Choo's
And I can feel the pressure, chemical reaction in me[Chorus]
I got this jealousy
It's taken over all of my mind
Looks like I'm jealously breaking [?]
I ain't got no time for that
You ain't got no time for that
We ain't got no time for that
Breaking [?} your mind
[Verse 2]
I know that I'm acting up
I know that enough is enough
But I can't help but think
That you're with somebody drinking in some boujee club
Oh, I know you think I'm mad
I know that this looks bad
But the joke is on me
I will never be alone[Chorus]
I got this jealousy
It's taken over all of my mind
Looks like I'm jealously breaking [?] your [?]
I ain't got no time for that
You ain't got no time for that
We ain't got no time for that
Breaking [?} your [?]
[Breakdown][Chorus]
I got this jealousy
It's taken over all of my mind
Looks like I'm jealously breaking [?] your [?][Breakdown][Chorus]
I got this jealousy
It's taken over all of my mind
Looks like I'm jealously breaking [?] your [?]
