Wanna Go

737

Chorus: (x2)
I wanna rock right now
I wanna, I wanna rock right now
I wanna rock right now
I wanna, I wanna rock right now
I wanna rock right now
I wanna, I wanna rock right now
I get stupid, I mean outrageous
I get stupid, I mean outrageous
I get stupid, I mean outrageous

Yeah, it's about time I bring the game back
Whack, spit is the reason why the game is whack
Max, different I mean it when I say that
Clap for him, and you know the audience stay gassed
You ain't ready, take time, lay back
Every year I never come to put the same...
Told me go hard to go home, I never came back
You know we're getting money like the Arabs... WARNIN !
I'm on the rock, I'm feeling in the game is cracks
biggie on my tape pack, let the bass bang
My city from a boy changed man its notin but love from you boy if you hate man
Young master in the roof, rolling up
Get tragic from the youth when I'm rolling cuz
My flow stupid, blonde moment
I'mma rock from now until the cops is roll in
