A Message to the Masses

Amen

Hit back burn black
Turned off naked in belief
Unjust and unheard
My eyes have never seenWanna get it gonna give it to you
You got a lesson got a lesson to learn
And your eyes have never seen
Gonna get it right back to your heartMy crime is semen
Around you it's never long
It's too hard to see
And you'll never know never know
Never knowWait and turn off the lights
Let the day die tonight
Let us ride ride ride tonight
We can do it alright we can do it alright
Let the day die tonight, yeahYou wanna get it gonna give it to you
You wanna get it gonna get it right now
And your eyes have never seenI got a message got a message to the massesMy eyes and your mind
No one's ever gonna tell me what to see
Your eyes your mind
Your mind
Wait and turn off
Turn on
Wait and turn off
Turn on
Wait and turn off
Turn on
Wait and turn off
Now
