

# Bad Medicine

## Bon Jovi

Your love is like bad medicine  
Bad medicine is what I need, whoa  
Shake it up just like bad medicine  
There ain't no doctor that can cure my disease  
Bad medicine I ain't got a fever, got a permanent disease  
And it'll take more than a doctor to prescribe a remedy  
I got lots of money but it isn't what I need  
Gonna take more than a shot to get this poison out of me  
And I got all the symptoms count 'em 1,2,3  
First you need, then you bleed, and when you're on your knees  
(That's what you get for falling in love  
You get a little but it's never enough  
That what you get for falling in love)  
Now, this boy's addicted 'cause your kiss is the drug, whoa Your love is like bad medicine, bad medicine is  
what I need, whoa  
Shake it up just like bad medicine  
There ain't no doctor that can cure my disease  
Bad, bad medicine I don't need no needle to be givin' me a thrill  
And I don't need no anesthesia or a nurse to bring a pill  
I got a dirty down addiction that doesn't leave a track  
I got a jones for your affection like a monkey on my back  
There ain't no paramedic gonna save this heart attack  
When you need, then you bleed, on you knees  
(That's what you get for falling in love  
You get a little but it's never enough  
That what get for falling in love)  
This boy's addicted 'cause your kiss is the drug, whoa Your love is like bad medicine, bad medicine is what I  
need, whoa  
Shake it up just like bad medicine  
So let's play doctor, baby  
Bad medicine It's what I want. Bad, bad medicine  
Ow, it's what I need  
I need a respirator 'cause I'm running out of breath  
You're an all night generator wrapped in stockings and a dress  
When you find your medicine you take what you can get  
'Cause if there's something better baby well they hav'n't found it yet  
Whoa Your love is like bad medicine, bad medicine is what I need, whoa  
Shake it up just like bad medicine  
There ain't no doctor that can cure my disease Your love is like bad medicine, bad medicine is what I need, whoa

Shake it up just like bad medicine  
There ain't no doctor that can cure my disease  
Bad, bad medicine is what I want  
Bad bad medicine. Oo baby, oo babe  
I gotta go I gotta I gotta go I gotta medicine  
I got I gotta do it again, wait a minute wait a minute  
Hold on I'm not done. One more time. With feeling  
Come on. All-right. Help me out now Your love is like bad medicine, bad medicine is what I need, whoa  
Shake it up just like bad medicine  
There ain't no doctor that can cure my disease Your love is like bad medicine, bad medicine is what I need, whoa  
Shake it up just like bad medicine  
There ain't no doctor that can cure my disease  
Bad, bad medicine is what I want  
Bad bad medicine. Oo baby, oo babe  
I gotta go I gotta I gotta go I gotta medicine  
I got I gotta do it again, wait a minute wait a minute  
Hold on I'm not done. One more time. With feeling  
Come on. All-right. Help me out now Your love is like bad medicine, bad medicine is what I need, whoa  
Shake it up just like bad medicine  
You got the potion that can cure my disease Your love is like bad medicine, bad medicine is what I need, whoa  
Shake it up just like bad medicine  
You got the potion that can cure my disease Your love is like bad medicine, bad medicine is what I need, whoa  
Shake it up just like bad medicine  
You got the potion that can cure my disease
