Hello Hello

Mexico 70

I would have gone
With you tonight
If you'd have asked me
And I wouldn't have left your side
But you marched in to the rain
Stubborn as a child while right here I stayed

Hello hello
Is anybody there
Your disappearing act is getting harder to bare

Hello hello
Oh when you gonna see
You have to take me with you if you don't wanna loose me

You know I'd fight
Dagger in hand
Beside you if only
I knew what you're battling
But you crawled
Out of the dark
In to my sunshine
I don't dare ask

Hello hello
Is anybody there
Your disappearing act is getting harder to bare

Hello hello
Oh when you gonna see
You have to take me with you if you don't wanna loose me

Cause i wanna follow
Just let me follow
I promise you i don't scare don't scare easy
?? Inaudible ?? Haven't seen

Hello hello
Is anybody there

Your disappearing act is getting harder to bare

Hello hello
Oh when you gonna see
You have to take me with you if you don't wanna loose me

Hello hello
Hello hello

Hello hello
Hello hello

Hello hello
Hello hello

Hello hello
Hello hello

Is anybody there?
