Shutter Song

Hibou

i'm not what you thought, so don't you settle
& tell me not to go
if i'm already lost, it won't matter
when you're finally gone
for good
don't ask me if you could come home
i'm sorry that you wanted more
i'm sure you'll get on with some perfection
that you won't even know
darling take your time
it's yours you're wasting
no i won't be here still
waiting
there's no good way to tell this truth
and i don't want to burden you
