

# Hold On

Ann Nesby

Just keep holdin' on, just keep holdin' on  
Just keep holdin' on, just keep holdin' on  
I keep holdin' on, I keep holdin' on  
(Holdin' on)Just keep holdin' on, just keep holdin' on  
Just keep holdin' on, just keep holdin' onNow when you're feelin' like you can't go on  
Just search inside your soul, you'll find the strength to carry on  
Endure the hard times like a good soldier  
Then you can tell the world how you made it overHold on  
(Hold on)  
Hold on  
(Be strong)  
All ya need to know is you're not alone  
(You're never alone)Hold on  
(If you hold on)  
Hold on  
(Go on)  
What you're goin' through, it can't last that longThis life may not be easy  
Who told you it would be?  
Just keep your head up high  
Everything will be alrightI told you once to believe in yourself  
And the power in the sky, do you believe?Hey, hold on  
(Hold on)  
Be strong  
(Be strong)  
Whatever you're goin' to do  
All ya need to know is you're not alone  
(Never alone)Hold on  
(If you hold on)  
Hold on  
What you're goin' through, it can't last that longI keep holdin' on, I keep holdin' on  
(Come on and hold on)  
I keep holdin' on, I keep holdin' onJust keep holdin' on  
Just keep holdin' on  
Just keep holdin' on  
Just keep holdin' onI keep holdin' on  
(Hold on)  
I keep holdin' on  
I keep holdin' on  
(Hold on)

I keep holdin'Just keep holdin' on  
Just keep holdin' on  
Just keep holdin' on  
Just keep holdin' onHold on  
(Hold on)  
Be strong  
(Be strong)

All ya need to know is you're not alone  
(You're never alone)Hold on  
(Hey)  
Hold on  
(Hold on)

What you're goin' through it can't last that longNow when you're feelin' like you can't go on  
Just search inside your soul, you'll find the strength to carry on  
Endure the hard times like a good soldier

Then you can tell the world how you made it overJust keep holdin' on

(Don't let go)  
Just keep holdin' on
