

Here Today, Gone Tomorrow

Rooney

I love you
I love you, I do I do
I love you
I love you, I do I do But I turn to why we just can't make it
I want you still but just can't take it
The time has come we ought to break it
Someone has to pay the price It's over
All over, it's true
It's over
All over, it's true And I think of times we were together
As time went on it seemed forever
The times have changed now things are better
Someone has to pay the price
