

# Billionaire

## Glee Cast

I wanna be a billionaire so fricking bad  
buy all of the things I never had  
uh, I wanna be on the cover of Forbes magazine  
smiling next to Oprah and the Queen[Chorus]  
    Oh every time I close my eyes  
    I see my name in shining lights  
    A different city every night oh  
    I swear the world better prepare  
for when I'm a billionaireYeah I would have a show like Oprah  
    I would be the host of, everyday Christmas  
        give Artie a wish list  
    I'd probably pull an Angelina and Brad Pitt  
    and adopt a bunch of babies that ain't never had it  
    give away a few Mercedes like here lady have this  
    and last but not least grant somebody their last wish  
        its been a couple months since I've single so  
        you can call me Artie Claus minus the Ho Ho  
        get it, hehe, I'd probably visit where Katrina hit  
        and damn sure do a lot more than FEMA did  
        yeah can't forget about me stupid  
everywhere I go Imma have my own theme music[Chorus]  
    Oh every time I close my eyes  
    I see my name in shining lights  
    A different city every night oh  
    I swear the world better prepare  
        for when I'm a billionaire  
    oh oooh oh oooh for when I'm a Billionaire  
    oh oooh oh oooh for when I'm a Billionaire[Puck]  
        Let's go.  
    I'll be playin' basketball with the president,  
        dunkin' on his delegates,  
    then I'll compliment him on his po-li-ti-cal etiquette.  
    Toss a couple milli in the air just for the heck of it,  
    but keep the 5's, 10's, 20's, Ben's completely seperate  
        Yeah, I'll be in a whole new tax bracket  
        We in recession- but let me take a crack at it  
    I'll probably take whatevers left, and just spend it up  
        so everybody that I love can have a couple bucks  
        And not a single tummy around me,

would know what hungry was,  
eatin' good, sleepin' soundly  
I know we all have a similiar dream,  
go in your pocket, pull out cha' wallet-  
put it in the air and singI wanna be a billionaire so frickin' bad  
buy all of the things I never had [buy everything]  
uh, I wanna be on the cover of Forbes magazine  
Smilin' next to Oprah and the Queen [what up Oprah]  
Oh everytime I close my eyes, [watcha see, watcha see bro?] I see my name in shining lights, [oh yeah-ah]  
A different city every night, all right  
I swear,  
the world better prepare  
For when I'm a billionaire  
[oh oh, sing it, oh ohhh] [When I'm a billionaire]  
I wanna be a billionaire so frickin bad  
[End]
