

# Sweet As Whole

Sara Bareilles

Sometimes I can be perfectly sweet  
Got this sugary me stuffed up in my sleeve  
And I talk of ponies and rainbows and things  
And I'm just who you want me to be  
But like most creatures down here on the ground  
I'm composed of the elements moving around  
And I grow and change and I shift and I switch  
And it turns out I'm actually kind of a b\*\*\*\*  
But that only happens when I get provoked  
By some piece of s\*\*\*\* a\*\*hole we all sadly know  
And I sit and I write while reminding you all  
That mean songs are still better than going postal

And that guy's an a\*\*hole  
That girl's a b\*\*\*\*  
Baby it's natural  
No gettin' away from it  
So sing it out with me  
And then let it go  
F\*\*\* that guy he's just an a\*\*hole  
Oh a\*\*hole  
A\*\*hole  
A\*\*hole

I see I've surprised you with some of my words  
And I know that surprises, while fun, still can hurt  
And I hate to think that I ruined the day  
Of the dick and the queen of the high horse parade  
But I'm sick and tired of your poisonous ways  
Your toxin wasting perfectly good space  
And I say what I think  
'Cause it's more economic than drugs or a drink

That guy's an a\*\*hole  
That girl's a b\*\*\*\*  
Baby it's natural  
No gettin' away from it  
So sing it out with me  
And then let it go

F\*\*\* that guy he's just an a\*\*hole

And I won't let him in  
Under my skin  
You're a sad sack of s\*\*\*  
That's pathetic  
Just a festering sore  
Who will never be more than that  
If I don't let it

And that guy's an a\*\*hole  
That girl's a b\*\*\*\*  
Baby it's natural  
No gettin' away from it  
So sing it out with me  
And then let it go  
F\*\*\* that guy he's just an a\*\*hole

That guy's an a\*\*hole  
That girl's a b\*\*\*\*  
Baby it's natural  
No gettin' away from it  
So sing it out with me  
And then let it go  
F\*\*\* that guy he's just an a\*\*hole
