

# The Lover In You

## The Sugarhill Gang

I am the king of the rappin' thing but love is really my game  
And when it comes to gettin' the finest chicks  
I put all the other rappers to shame  
The ladies scream when I'm on the scene  
They love my 280-Z and when the party's over they stand in line  
To go home with the Master G, ha ha hah This is for the lover in you  
The lover in you, I know she's in there somewhere  
This is for the lover in you  
Ah, for the lover in you Whoa honey, can't you see, yeah  
It's the lover, in me  
Who wants to make love to the lover in you  
The lover in you, to the lover in you Don't be misled by what I said, there's one thing beyond a doubt  
Inside every rapper there's a lover who's tryin' to get out  
So let's make a start, unlock your heart, this is, the place to be  
And as we're movin', to the music groovin'  
You'll bring out, the lover in me, sing it gang This is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
Ah, for the lover in you Whoa honey, can't you see, yeah  
It's the lover, in me  
Who wants to make love to the lover in you  
The lover in you, to the lover in you Won't you give her a shout ?  
Tell her to come on out, got a job, for her to do  
You know I'm talkin' about the lover in you  
The lover in you, the lover in you  
The lover in you, the lover in you If there's a party in any town  
You know the Sugarhill Gang will throw down  
With yours truly, the Master G  
And the brothers who rap so sensuously  
It's got to be mellow Got ta be right  
We are the original Rapper's Delight  
And love, is what we're talkin' about  
So c'mon gang, ah, let's take it on out  
Everybody now This is for the lover in you, the lover in you  
(Well, mmm)  
I know she's in there somewhere  
This is for the lover in you  
(Well)  
For the lover in you This is for the lover in you, the lover in you

I know she's in there somewhere  
This is for the lover in you  
For the lover in you I wanna be your L O V E R  
Ah, let me be your L O V E R  
Gotta be your L O V E R So this is for the lover in you, the lover in you  
I know she's in there somewhere  
This is for the lover in you  
For the lover in you Won't you give her a shout?  
Tell her to come on out  
Got a job, for her, to do  
You know I'm talkin' about the lover in you  
This is for the lover in you, for the lover in you I know she's in there somewhere  
This is for the lover in you  
Ah, for the lover in you This is for the lover in you, for the lover in you  
I know she's in there somewhere  
This is for the lover in you  
(Nnh)  
For the lover in you, whoa, yeah
