Deniece Williams

Whispering in his ear my magic potion for love
Telling him I'm sincere
And that there's nothing too good for us And I've just got to be free, free, free
Whispering in his ear my magic
potion for love
Telling him I'm sincere
And that there's nothing too good for us But I want to be free, free, free
And I just got to be me, yeah, free, free
Teasing hands on his mind
Give our night such mystery
Happiness all the time
Oh and how that night pleases me But I want to be free
But I just got to be me, me
Feeling you close to me
Makes all my senses smile
Lets not waste ecstasy
'Cause I'll only be here for a while I just got to be free, free, free
And I just got to be me, yeah, yeah, yeah
Free, free, oh
Free, free, free, oh baby, oh
And I just want to, I just want to be me
