

Teach Me

Spensha Baker

Had a friend
And so I thought
That we'd be there for each other always
I believe she was down for me
Didn't think that it would end this way
Now im wondering what went wrong
Seems I had it all figured out
Now I know it's not that simple
Can you teach me what real love's about

Chorus:

Teach me how to love
Teach me how to trust
teach me how to give even when I don't get enough
Teach me how to pray
Tell me what to say
cause I know without your love I can't get love so teach me love
Teach me

Verse 2:

Same thing, different day
It's starting all over again
I don't know how much I can take
I don't wanna do what's right
It's already hurt me twice
I know you told me to forgive and forget but its easier said then done.
Cause now I've turned both of my cheeks
I'm afraid I don't have another one

Bridge:

I don't know what's wrong
But I try
I just wanna know your way
I don't wanna make the same mistake
I've already made
Lord i'm asking you now

Just teach me how

Chorus 2x

Teach me how to love
Teach me how to trust
teach me how to give even when I don't get enough
Teach me how to pray
Tell me what to say
cause I know without your love I can't get love so teach me love
Teach me

Been through a lot of things
But they can't compare
You lay down your life for me
That's the cross you had to bear for me
so I guess its up to me
And it's how it's gotta be
don't know what I was thinking of
I guess it all goes back to loveee

Chorus 2x

Teach me how to love
Teach me how to trust
teach me how to give even when I don't get enough
Teach me how to pray
Tell me what to say
cause I know without your love I can't get love so teach me love
Teach me

Adlib

Teach me how to trust lord

When I don't get enough

Pray

Teach me how to pray

What to sayy

Without your love I can't get love

Teach me lord

(Teach me Lord 5x)
