

# Niggas and Flies

## Geto Boys

Niggas and flies, niggas and flies  
Niggas and motherfuckin' flies Niggas and flies always in some shit  
Nigga can't stay outta shit for shit  
Nigga robbed a bank- now everybody know  
Cause nigga had a Rolls Royce clipping through the ghetto  
Nigga bought his ho a fur coat the next week  
And them loss had his ass walking butt naked down the street  
You want drama nigga? I gots drama  
What about these niggas drive Beamers living wit they mamas?  
And what about these tennis-shoe tasting bitches-  
Fucking athletes to obtain the riches  
But they hate it when a nigga call 'em hoes and tramps and sluts  
But if the shoe fits- lace it up  
Niggas ain't good for shit but eatin' barbeque  
And holding other niggas back- that's all we do  
Niggas annoy me like flies  
If it was up to me, I'd burn a gang of you hoes alive Niggas and flies, niggas and flies  
Niggas and motherfuckin' flies I went to the million man march- it was all good  
A bunch of niggas standin' up for they manhood  
But niggas are so idiotic-  
They still found something fucked up to say about it  
But that's a nigga fo yo ass, g  
Howl at a nigga if you lookin' for some negativity  
Cause niggas got plenty of it- I think they love it  
Clarence Thomas- you a motherfuckin' puppet  
Ass-kissin' politicians ain't shit to me  
And motherfuck the NAACP  
Motherfuckin' cowards, suckin' up to the sponsors  
And couldn't give a fuck about the black johnstons  
So called black radio stations  
Runnin' they flap- talkin' bout they don't play rap  
But rap pay the bills, motherfucka  
And keeps a nigga out of jail, cocksucka  
Niggas get on top and niggas hate it  
Cause niggas can't stand to see another nigga make it  
So how the fuck are niggas coming together to take the first step  
When every nigga out to sell-
