

# Outro (feat. Mary J. Blige)

## Missy Elliott

Check it, see I don't wanna say that this is the end  
I'll end by saying this is where we'll begin  
Hip hop is a freedom of expression  
It's not a freedom of depression  
Can I make my one suggestion? Look at how we're labeled 'gangster rappers'  
Is that their only impression? Wake up! Rap is a craft, art and a rapper's sport  
Someone like a game of basketball can't be taught  
But yet we accept the name 'Thug', like that's fly  
See how they covered our eyes?  
Give us names to separate us  
Sit back and watch us beef and make us hate us  
Say what? I'm done talking, Mary J. Blige  
Let 'em know 'This Is Not A Test', I hear you calling What you hear is not a test, I'm rocking to the beat  
See me and my crew and my friends  
We're gonna try to move your feet  
See, I am Mary Blige and I'd like to say hello  
To the black, to the white, the red and the brown  
The purple and yellow  
But first you gotta, oh  
But first you gotta
