

# Team

## KIDZ BOP Kids

Wait 'til you're announced  
We've not yet lost all our graces  
The hounds will stay in chains  
Look upon Your Greatness and she'll send the call out

(Send the call out)

(Send the call out) Call all the ladies out

They're in their finery

A hundred jewels on throats

A hundred jewels between teeth

Now bring my boys in

Their skin in craters like the moon

The moon we love like a brother, while he glows through the room  
Dancin' around the words we tell

Dancin' around big eyes as well

Even the comatose they don't dance and tell  
We live in cities you'll never see on screen

Not very pretty, but we sure know how to run things

Living in ruins of a palace within my dreams

And you know, we're on each other's team  
I'm kind of over getting told to throw my hands up in the air, so there

So the dishes got broke shards beneath our feet but it wasn't my fault

And everyone's competing for a love they won't receive

'Cause what this palace wants is release  
We live in cities you'll never see on screen

Not very pretty, but we sure know how to run things

Living in ruins of a palace within my dreams

And you know, we're on each other's team  
I'm kind of over getting told to throw my hands up in the air

So there

I'm kinda older than I was when I reveled without a care

So there  
We live in cities you'll never see on screen

Not very pretty, but we sure know how to run things  
Living in ruins of a palace within my dreams  
And you know, we're on each other's team  
We're on each other's team  
And you know, we're on each other's team  
We're on each other's team  
And you know, and you know, and you know
