

# Angel's Wings

## Westlife

I would die for you  
Lay down my life for you  
The only thing, that means everything to me  
Cause when you're in my arms  
You make me prouder than  
Anything I ever could achieve  
And you make everything  
That used to seem so big  
Seem to be so small since you arrived  
On angel's wings  
An angelical formation  
Angel's wings  
Like letters in the sky  
Now I know  
No matter what the question  
Love is the answer  
It's written on angel's wings  
And I often wondered why  
Someone as flawed as I  
Deserves to be as happy as you make me  
So as the years go by  
I'll be there by your side  
I'll follow you, wherever your heart takes me  
Cause you make everything that used to seem so big  
Seem to be so small since you arrived  
On angel's wings  
An angelical formation  
Angel's wings  
Like letters in the sky  
Now I know  
No matter what the question  
Love is the answer  
It's written on angel's wings
