Willow Tree

Chad VanGaalen

Sleep all day
Just waiting for the sun to set
I hang my clothes
Up on the lineWhen I die
I'll hang my head beside the willow tree
When I'm dead
Is when I'll be freeAnd you can take my body
Put it in a boat
Light it on fire
You can use the keroseneTake my body
Put it in a boat
Light it on fire
Send it out to seaWoo, wooYeah, yeah, yeah
Yeah, yeah, yeahSleep all day
Just waiting for the sun to set
I hang my clothes
Up on the lineWhen I die
I hang my head beside the willow tree
When I'm dead
Is when I'll be freeSo you can take my body
Put it in a boat
Light it on fire
Use the gasolineTake my body
Put it in a boat
Light it on fire
Send it out to sea
