

# Keep Breathing

Kerrie Roberts

You wait in darkness  
For answers that you can't see  
You know what you deserve  
And your wondering why your life is  
Not what you thought it should be  
When the knife breaks  
Your heart still aches  
How can you face the day  
You just

Keep breathing  
you'll make it  
Don't give in  
You're not done yet  
Sometimes all that you can do is  
Keep breathing and believing  
Don't let go  
Just hand on tighter  
A little longer  
When you feel like your dying  
Keep breathing

Don't give up  
Don't give in  
No you're not done  
Don't give up  
Don't give in  
Don't let go

When every moment  
Is almost more than you can take  
You've got to know some  
Tomorrow will bring you a breakthrough  
Is the reason why  
You got to get through the today  
When the knife's gone  
You will be strong

Keep breathing  
you'll make it

Don't give in  
You're not done yet  
Sometimes all that you can do is  
Keep breathing and believing  
Don't let go  
Just hand on tighter  
A little longer

With every breath  
You're bringing hope  
You're letting go of all your doubts  
When nothing is easy  
You got to keep going  
Even when you don't know how  
You don't have to know how, no

Keep breathing  
you'll make it  
Don't give in  
You're not done yet  
Sometimes all that you can do is  
Keep breathing and believing  
Don't let go  
Just hand on tighter  
A little longer

Keep breathing  
you'll make it  
Don't give in  
You're not done yet  
Sometimes all that you can do is  
Keep breathing and believing  
Don't let go  
Just hand on tighter  
A little longer

Keep breathing  
Don't give up  
No you're not done yet  
Don't give up  
Don't give in  
Don't let go  
No you're not done yet
