Love Again (feat. Ailie)

2BiC

2BiC that's right, it's your girl Ailee
Now I want y'all to listen up you ready?
No matter how much you hold onto me, I won't return
Your cheating tendencies will never be fixed
You loving me is a convicted crime, separation is innocence
I am tortured all night, a sad anguish
The end of an eternal love, rest in peace, forgotten
As much as we loved, our knot is tighter
Now it's the very bottom, so it's sadder
The end of love isn't beautiful like this, bye
With cold words, you say you'll leave me when there isn't any other person like me
Baby, your body temperature was so warm
But why do you keep acting cold toward me?
Please my baby I can't let you go
Day by day, I need you by my side
Because I am loving you, because I am loving you
So I'm kneeling before you and begging like this
Why are you pushing me out, making my heart hurt?
Please come back to me
You're the one who said you loved me with your own lips
Baby, I can't go on without you no matter how much I think about it
Without you, I can't explain myself
Please my baby I can't let you go
Day by day, I need you by my side
Because I am loving you, because I am loving you
So I'm kneeling before you and begging like this
Why are you pushing me out, making my heart hurt?
Please come back to me
Now I don't like your touch on my body
Don't ever look for me again
You're my first and last love
Please don't leave my arms
Hands off, back off, I'm gone tonight
Because I am loving you, because I am loving you
My tears flow so I can't see you
The one love and the one separation
To me, it was only you
