

Boundless (Time To Murder It)

Hatebreed

Advisory - the following lyrics contain explicit language:

Time to murder it Oh lets go! Ive got a bullet for the shame, a toll take for explain

Nobodys made for the envy

A country for the guilt, has to take their place

A shadow tells their memories So take this message how you want

To die in hell so I choose what you control Cause its time

Our time

Confirm what youve always denied and be a boundless

Its time

Reach within her prime

The nemesis

Its time

Cause its time to murder it Oh lets go! Get your appetite written hell of disgrace

A hold on deep for the bloody

Send her straight to town, no need for last rights

Forced cries, no ones hearing So take this message how you want

To die in hell so I choose what you control And Im not sorry for your loss

As the clock fits shut on everything you know Cause its time

Our time

Confirm what youve always denied cause its time to be boundless I want what it takes to be boundless

I know what it takes to be boundless

I cant understand this is the drive

I must reject sign cause its time Time to fucking murder it Cause its time

Its time

Its time

Confirm what youve always denied cause its time to be boundless
