

# It's Been So Long

[Benny Goodman](#)

'Cause it's been so long since I held you tight  
When we said goodnight  
It's been so long, honey, can't you see  
What you've done to me? I've been in a kind of daze  
For days and days and days  
Feelin' blue, missin' you  
In, oh, so many ways 'Cause it was so nice when we had that date  
Every night at eight, it was so nice  
Then we said goodbye, what a fool was I  
Let me get back in your arms where I belong 'Cause it's was, oh, so long
