

# Happy

## Avant

I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(Let you go, never gonna let you go)I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(Let you go, never gonna let you go)Thinking of you, all damn day  
That's why I want you to know  
It's all about you, babe  
You are all that I need, babyAnd you know me, I'm as real as they come  
I love the way you give me love  
And you keep me second to none  
And with you is where I wanna beI want you to be happy  
I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(See I'll never let you go)I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(Go, no)Your body is all I see  
So lay back, relax, and let me set you free  
I make you say, ooh, ah, wee, wee, ooh, baby  
Baby, tell me what it beDo you want me to stick around?  
Or should I go find another feasibility?  
'Cause you are all I need  
You are all I need, oh, girlI want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(See, I'll never let you go)I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(Go, no)Have your knees back low, never on the go  
Like to do it slow keep it on the down low

In between the sheets we lay  
We'll lay, here all dayHave your knees back low, never on the go  
Like to do it slow, keep it on the down low  
Wanna say it again?  
Wanna say it again?Have your knees back low, never on the go  
Like to do it slow, keep it on the down low  
Yes, I feel your body heat  
Baby girl, you make me weakHave your knees back low, never on the go  
Like to do it slow, keep it on the down lowWhoa, I want you to be  
I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you goI want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go  
(Go, no)I want you to be happy in love with me  
I want you to feel that my love is real  
I want you to know that if you love me  
I will never let you go
