

Free

Plumb

Free, free You thought you had me all tied up in a little knot
You thought, I'd go on living just like you
Till you ask me nicely to stop but surprise I'm free I'm free
I'm free to be the girl
You try to steal You thought I'd freeze and wither away in a bender
Now you know differently and I'm gonna live with much
More than you'd ever imagined so surprise I'm free, I'm free
I'm free to be the girl
You try to steal
To be the girl
You tried to steal from me And it isn't everyday
Someone sets you free
And gives you walking papers
To be the real thing I'm free, I'm free
Yeah, I'm free, to be the girl
You try to steal Well, I'm free, I'm free
Yeah, I'm free to be the girl
You tried to steal
To be the girl
You tried to steal from me Free, free
