Radio

Danny

(Radio)
The radio
Radio x2

He looks like a million dollar to you
Tell me does he hit your heart like I do
I know he's everything I'm not

You say he makes your life complete
But do you ever think of me?
Don't lie
I know that you can hear me

When I'm on radio
The radio
I'm on the radio
Like oh oh wohoo
Radio
The Radio
I'm on the radio
Like oh oh wohoo

You think his money will do you right
But they won't keep you warm through the night
I know I'm everything his not

You say he makes your life complete
But I know you think of me
Don't lie
I know that you can hear me

When I'm on radio
The radio
I'm on the radio
Like oh oh wohoo
Radio
The radio
I'm on the radio
Like oh oh wohoo

(Radio)
The radio
Radio x2

When I'm on the...
Radio (radio)
The radio (radio)
Like oh oh ohoo
Radio (radio)
Radio (radio)
I'm on the radio
Like oh oh ohoo

When I'm on radio
Radio
I'm on the radio
Like oh oh ohoo
Radio
The radio
I'm on the radio
Like oh oh ohoo
