Midnight Express

Gyroscope Midnight Express

Train, of thought,
I've been riding on has been derailed...
All lives were lost,My, seat, of choice,
Had been taken up by someone's corpse...
Guess I'll just stand,Ooo Ooo Ooo, Ooo Ooo Ooo, Ooo-ooo,
Ooo Ooo Ooo, Ooo Ooo Ooo, Ooo-ooo,Try, this time, to recover memories-
Colours fade.. to a dark shade,
This, train, of thought,
I've been riding on has been derailed...
All lives were lost.Ooo Ooo Ooo, Ooo Ooo Ooo, Ooo-ooo,
Ooo Ooo Ooo, Ooo Ooo Ooo, Ooo-ooo,(Did I turn?
Did I turn?
Did I turn?) Did I turn away?
(Did I turn?) Did I turn away?
(Did I turn?) Did I turn away?
(Did I turn?) Did I turn away?
(X2)
(Did I turn?) Did I turn away?
(Did I turn?) Did I turn away?
(Did I turn?) Did I turn away?
(Did I turn?) Did I, did I turn away?
(Did I turn?) Did I turn away?
(Did I turn?) Did I turn away?
