Lick Lick

Pleasure P

Verse 1:
I got a problem and I don't know what to do
'Cause sex is always on my mind
Me and this girl, we been at it for a while
And I can't stop thinking of her
When she start rubbing my body
Make me wanna do something real naughty
'Cause she like to get on top
And when she get on top, she like to stay on top
And make her body just drop
Slow, sexy while we're sexing that's why I wanna
Chorus:
Lick lick lick
Girl I wanna lick all over your body baby
Lick lick lick
Girl you make my tongue go la la lalalalalalalala la la
It is just me and you in this room,
and I wanna do some grown man things to you

Lick Lick Lick
Iiiiiiiiiiiiiiiii wanna lick your body
Verse 2:
It's something I'm going through
I'm having fantasies out the blue and I can't stop thinkin bout her
And what we used to do
Strawberries and whipped cream, owe I'm just a fiend
Addicted to your love,I can't get enough
When she start rubbing my body
Make me wanna do something real naughty
'Cause she like to get on top
And when she get on top, she like to stay on top
And make her body just drop
Slow, sexy while we're sexing and I can't get enough
I wanna lick your body, baaaabyy
Lick lick lick
Lick your body up and down, lick your body up and down
See it's kinda hard, cause I can't stop and I won't stop
